EPIDEMIC! Don't Catch the "Biologenza Virus"

Rules:

1. Everyone starts out healthy
2. Roll the dice to determine your fate!

If you are healthy:

Roll: 2, 4, or 6 - You stay healthy 😊

Roll: 1, 3, or 5 - You get sick ☹️

What are your "odds" of getting sick?

If you are sick:

Roll: 4 - You get better (healthy)

Roll: 1, 2, 3, 5, or 6 - YOU DIE! ☠️

During the 18th century, 60 million Europeans died from ~~S~~mallpox!

Fight the "Biologenza Virus" epidemic with the new VACCINE!

Rules:

1. Everyone starts out healthy
2. Roll the dice to determine your fate!

If you are healthy:

Roll: 2, 4, or 6 - You get the Vaccine and are immune to Biologenza 

Roll: 5 - You stay healthy 

Roll: 1 or 3 - You get sick 

If you are sick:

Roll: 4 - You get better (healthy)

Roll: 1, 2, 3, 5, 6 - YOU DIE! 

Today, as a result of vaccination, the smallpox virus has been officially declared defeated by the World Health Organization. The last reported case of smallpox was in October, 1977.
